Roehampton is just half an hour or so from the centre of the capital. The college is close to some of the most beautiful green areas of the city such as Richmond Park and Wimbledon Common. Historic Hampton Court and Kingston, with its popular shopping centre, are also close.

Accommodation:

Embassy CES students are accommodated in Bede Hall and various houses around the campus. Rooms are all single with a desk, wardrobe and additional storage space. Bathrooms are shared in a ratio of approximately 1:5. Please note that no food, chewing gum or smoking is allowed inside the accommodation buildings and it is not possible to have pasta parties at this centre.

General Information:

Digby Stuart has a modern dining room which is located in the same building as some of the accommodation. There is also a large student union on site for evening activities such as the discos. There are limited sports facilities but some outdoor spaces for football/volleyball etc. The site is a great location to explore all that both central and outer London has to offer.
