Terms and conditions

All enrolments are subject to the following conditions which become legally binding on acceptance of enrolment by Embassy Academy.

1. Payment of fees

All fees including the application fee must be paid in full no later than 14 days before arrival. Transfers and accommodation will not be confirmed until all monies have been paid in full.

2. Services

The company reserves the right to change the particulars of the services, including changes to courses, locations, facilities and dates of the programmes where circumstances beyond the company's control necessitate such changes or where the number of bookings received does not reach the minimum numbers required to operate a course viably.

3. General refund policy

All refunds will be sent to the account of the Embassy Academy representative to whom the fees were originally paid, or to the individual from whom Embassy Academy has received the original direct payment. If a student's visa application is rejected after payment has been received all fees, excluding any cancellation fees detailed in the Cancellation Policy below, will be refunded within 28 days, provided a visa refusal letter is received by our International Admissions Centre at least two working days before the course is due to start and the student has fulfilled all requirements for a visa application. No refund will be made if a visa rejection is based on student's failure to meet the necessary criteria for their chosen visa category.

4. Cancellation policy

Embassy Academy defines cancellation as the period prior to start of first course. All cancellations must be made in writing to our International Admissions Centre. The following refund policies apply.

Where cancellations are received in writing more than 14 days before the first course start date 100% of package price will be refunded, but any application fee, courier fee, or airport transfer fee is non-refundable. Where cancellations are received in writing 14 days or less prior to the first course start date, 30% of the package price will be charged. Any application fee, courier fee or airport transfer fee is non-refundable.

5. Withdrawal policy

Embassy Academy defines withdrawal as termination of a course after the first course has started. Any withdrawal must be made in writing to our International Admissions Centre. Application Fee, Courier Fee, airport transfer fee and StudyCare will not be refunded for any student terminating their course after arrival.

6. Visas

Some students require a student visa or tourist visa. Students should contact their local embassy, Consulate or High Commission to ensure they are allowed to enter and study in their chosen country. Arranging the correct Visa is the sole

responsibility of the student or agent. No visa support documentation will be provided until all fees have been received.

7. Accident and medical insurance

Every student must have appropriate insurance and provide a document with the student's name and date of coverage as proof. The company recommends that all students take our own StudyCare insurance which is tailored to the needs of international students. Cover under the StudyCare insurance policy does not commence until the insurance fees have been paid in full. In the USA students not wishing to take StudyCare must present an equivalent insurance certificate on arrival. Students without insurance must take StudyCare. Full details of what StudyCare insurance includes can be found on our website and in the parent guide.

8. Liability

Embassy Academy and its staff and representatives will not be liable for loss, damage or injury to persons or property howsoever caused, except where liability is expressly imposed by law. Embassy Academy will not be liable in the event that any service contracted to be supplied by Embassy Academy becomes impossible to supply for any reason or any cause outside the control of Embassy.

9. Behaviour and discipline

As all our students choose our courses to obtain the best programme possible we owe it to all our guests to make sure that they can study and enjoy the stage to the fullest. Embassy Academy reserves the right to terminate the programme of any person or group whose behaviour is likely in our opinion to cause distress, damage or danger to other participants, Embassy Academy employees or anyone else. Embassy Academy reserves the right to terminate the programme of any person or group whose behaviour is contrary to applicable local laws. This behaviour includes but is not limited to: under-age purchase or consumption of alcohol, possession of illegal substances, damage to property, threatening or violent behaviour.

10. Our student discipline procedure

Our general discipline procedure in cases of misbehaviour is as follows: in the first instance a student will be given a verbal warning. If the incident is repeated then the student can immediately be issued with a written warning, the second stage of our discipline procedure. Once a written warning has been issued, Embassy Academy would contact the agent as soon as possible, allowing differences in time zones. Any student who has been issued with a written warning will be made fully aware that any further incidents will result in removal from the centre.

11. Expulsion

Students or group leaders who disregard the rules laid down by our staff may be sent home. Embassy Academy will not be liable for any costs incurred in repatriating a person or group to their country of origin. No refunds will be made for any programme missed as a result of such termination

and such decision is final. Students and their parents or guardians, where applicable, agree to pay the tuition fees and other charges applicable for the course on the due dates. It is understood and agreed that failure to do this may result in suspension from the programme and cancellation of the enrolment.

12. Resolution of disputes

If a student, group leader or agent wishes to complain about any aspect of the services provided by Embassy Academy, such complaint must initially be made to the Centre Manager or representative on site. Each complaint will be fully investigated provided that it is received within a month of the course ending, it was initially registered in writing with an on-site representative or Centre Manager and all fees have been paid in full. In the event that the matter is not resolved, the student or group leader or agent should make a complaint in writing to the Embassy Academy head office (see back cover).

13. Promotional activity

The student (and, where applicable, his or her parent or guardian): (i) agrees that the student's photographs, videos, artwork or other works, as well as recorded or written testimonials and details of the student's achievements ("Student Images and Testimonials") may be used by Study Group, or by a third party agent of Study Group, worldwide for promotional purposes including in its printed and online marketing materials and on any social media network without further consent or notification; and (ii) gives consent to Study Group storing, or transferring across international borders, copies of the Student Images and Testimonials for such purposes.

14. Data protection

Any information provided to Embassy Academy may be held on computer and shall be used in accordance with its data protection registration and the national data protection laws applicable. Our Privacy Policy is available on the Embassy Academy website.

15. Further information

Pocket money requests for students will incur a processing charge of £50 for UK and \$100 for USA per pocket money transfer.

16. Force majeure

Embassy Academy is not liable in the event where it is unable to fulfil any service to which it is contractually bound because of fire, natural disaster, acts of government, failure of suppliers or subcontractors, labour disputes or other reasons which are outside its control.

17. Agents

All the above terms are applicable to direct students and agents unless variations are expressly agreed between the agent and Embassy Academy or their parent company, Study Group, in writing.
