Family Programme

Designed for parents who wish to combine a family holiday with their English studies, the LSI Family Programme allows parents to choose from a wide selection of adult courses whilst their children follow one of LSI's specialised young learner courses. A unique opportunity to study together as a family, this course represents an unforgettable, shared experience.

Leisure activities and teaching methods are specially adapted to suit both adults and children ensuring that all the family will have fun whilst learning. This programme is offered at our schools in London Hampstead, Brighton, New York, Toronto, San Francisco/ Berkeley, Boston, and San Diego. Qualifying age for the Young Learner Course varies according to the centre; please check course details and dates. LSI operates both the Adult and Young Learner courses at each of these centres with the exception of LSI Brighton.

LSI Brighton offers the Family Programme for students aged 5-15. Adults study in one of LSI Brighton's general programmes and children study at a BISS operated programme based on the Dorothy Stringer Campus (Mon-Fri, 9.00-16.00), just 30 minutes by bus from the school. The camp includes a fantastic range of activities, English lessons (15 hrs/wk) and a daily hot lunch. Supervised transport can be arranged to and from the camp for an additional cost. This programme is available from Jul 22 - Aug 16 2013. Contact LSI Brighton for more information, including accommodation options and availability.
