LET'S GET TOGETHER AND TALK
LANGUAGE HOLIDAYS

Fan factor

*Hi! Hola! Salut!
Ciao! Nihao!*

Close your eyes and imagine your language holiday. What do you see? Energetic young people who are having fun learning? That's the way it really is with Sprachcaffe: You meet nice young people from all over the world, explore the new destination, enjoy the sun, the beach and the ocean or interesting cities – and also learn your chosen language. Language Holidays expand your horizons. You experience new cultures and the world becomes your home. Whether in Malta, in Toronto or Montréal, in the English Brighton, Exmouth or London, in Barcelona, Mallorca or Málaga, in Rome, Frankfurt, in Playa Del Carmen, in Nice or Paris, in Beijing, Los Angeles, New York and Boston– you will gather lots of new impressions, have loads of fun and will literally join in the conversation everywhere!

OUR COURSES

Acquire oral skills and gain confidence in the foreign language in our Standard Course (Monday to Friday, 20 lessons, weekly=15 hours). Furthermore, you will expand your vocabulary, improve your grammar and polish your writing skills. The Intensive Course (Monday to Friday, 30 lessons, weekly = 22.5 hours) builds upon the Standard Course. This course emphasizes speech and focuses on the 4 skills: reading, writing, speaking and listening. You will get a certificate of participation upon completion of the course.

TEACHING TIME

Normally, the Standard Course is from Monday to Friday from 9:00 to 12:30. Students in the Intensive Course will also have lessons from 13:00 and 14:30. The exact teaching times can vary according to course location. Alternatively, class can also take place in the afternoon. One lesson consists of 45 minutes.

EVALUATION

For most of the schools you will take an online language test before starting the course. Otherwise the test is done on Monday at the school. Afterwards you will be placed in a group according to your language skills. Each group has a maximum of 15 students.

LEISURE PROGRAM

We offer an exciting and varied leisure program for the afternoons and evenings. You will get to know the area around the school through full-day excursions on the weekend. Generally, 1 full-day excursion and 2 half-day excursions are held during a 2-week language course. In a 3-week language course we offer 2 full-day excursions and 3 half-day excursions. You will also have afternoons and/or evenings off to pursue your own interests.

SUPERVISION

You will be accompanied by our „teamers“ who have been specially trained by us. The teamers are 21 to 30 years old and from different countries throughout Europe and America. Therefore, only the national language will be spoken at the destination. The teamers enjoy spending time with you, will live in the residence with you, accompany you throughout the day and also organize the leisure program. If you have any questions or special requests, they will help you at any time! One teamer takes care of 15 students. Students who are 18-21 years of age will be able to enjoy the complete support of Sprachcaffe teamers. They are not bound to the Sprachcaffe leisure program but may join any activities from the program that are of interest to them. Students 17 years or younger will be expected to follow the leisure program and curfew as directed by Sprachcaffe.

ACCOMMODATION

You have a choice of accommodation as we understand how important it is for you to feel comfortable. You can choose from a homestay or a residence – everyone finds an appropriate home at Sprachcafé!

Homestay

Daily contact with the local people, learning about eating and living habits and using your language skills right away: These are some of the essential benefits of choosing a homestay. You will share a room with 1 or 2 students. We cannot tell you in advance if it will be a room with 2 or 3 beds. A lot of the host families are not living in the city center. This means that you will have to walk a bit and/or go by public transport to school. Therefore, you should include transportation costs in your travel budget. A seven-day ticket costs about 12 € to 30 €. Though most of the homestays are provided with Internet, it is not included and you are advised to kindly ask your hosts whether you may use Internet in your accommodation. Otherwise you can use plenty of Internet cafés in the city center. The ability to adjust to a different lifestyle and respect for other cultures are essential if you chose homestay accommodation.

Residence

Our residences are a great alternative to a homestay – especially for those who would like, and are allowed to have some more free time. Being usually closer to the school is convenient and saves time. Moreover, you will meet other language students from different countries so you can spend your free time with them and use your new language skills straight away. In Malta you have the additional choice of accommodations in the Club Village (3 beds/room) or in the residence (4-7 beds/room). This gives you flexibility in choosing your stay. The teamers are also staying in the residence!

Joint accommodation

If you would like to share a room with your friends, you should let us know at registration so we can take this into consideration. Please note that we cannot guarantee all joint accommodation requests.

Allergies or dietary requirements

We ask you to please let us know of any allergies or any dietary requirements when booking. We particularly need explicit information regarding allergies. Please also let us know if you have to take medicine regularly so we can inform the teamers and, if necessary, your host family. Depending the type of allergies and/or diet guidelines, we might kindly ask for a surcharge.

Arrival at destination

Please have some patience after arriving at the destination because move-in time is generally not until the afternoon. You might also have to leave your room in the morning on the day of departure. You also have to pay a key deposit if you live in the residence (please include this in your budget). You will get this deposit back on the day of departure, provided that there is no damage to the property or furnishing.

Please consider

In exceptional cases we reserve the right to offer accommodations that are not identical to the ones mentioned in this brochure.

TRANSFER

Please inform us about your full flight details (airline, flight times and number, terminal) at least four weeks in advance so we are able to arrange the transfer. Please note that we have different transfer times depending on the destination. You can find detailed information about transfer times and transfer airports on the school's individual page.

As we offer group transfers it might take a bit of time until you leave the airport for your accommodation. Meantime you have the chance to get known to your new classmates at the airport.

Arrival and departure days

Generally, arrival is on Sunday and departure is on Saturday. Please consider this while booking your flight. Extra nights are available on request only!

MEALS

Generally, you will get breakfast, dinner and a packed lunch (with a sandwich, drink, and dessert) or a hot lunch. The meal is always what is typically served in the country. Please consider that this is not all-inclusive catering so you will often only get tap water with your meal. You need to purchase your own drinks and snacks outside of meals.

Brighton

ENGLAND

BRITISH COUNCIL

YOUR DESTINATION

Once upon a time Brighton was only known as a fishing village. During the last few years it has converted into one of the most popular cities in the UK! Brighton is young and exciting. It is made for young international students to meet up and spend their language holiday together on the beach. „The Lanes“ invite you to shop until you drop, the „Royal Pavilion“ and „Brighton Pier“ are only 2 of the places you must see by yourself! Brighton is situated only 1h away from London, so full-day trips to Great Britain’s capital are a must.

YOUR ACCOMMODATION

You can either choose to stay in 2 or 3 beds/rooms at a homestay or you can live together with other language students in our residence. The residence is directly at the seafront only about a 15-minute-walk away from the main school. However, students have to be 16 years old to stay at the residence. Since most of our host families aren't in the city center you'll have to take the bus to school.

YOUR SCHOOL

Our Sprachcafe school is located very centrally. You can find everything you need very close-by. The most popular gathering place for young people is the seafront but there are also many places to go to in the surrounding streets.

During the summer, we might use our summer school which is situated about 30 minutes away by bus from the main school. There is a maximum of 15 students per class and we will provide you with learning material throughout the course.

YOUR DESTINATION

Sandy beaches, beautiful bays, red cliffs and palm trees – welcome to the English Riviera, which is situated in the very southwest of the island.

Together with Cornwall, Devon is in the southernmost part of England. Due to the Gulf Stream, spring and summer are mild and sunny. That is the main reason why so many international students decide to spend their summer in Exmouth. Young people are all around the city, in the parks, and on the gorgeous beaches enjoying a wide range of water sports.

If you are also interested in visiting the beautiful landscape and learning about Devon's history, don't hesitate to travel to Exmouth!

YOUR ACCOMMODATION

Book your accommodation either in our school residence (4 beds/ room) , just a stone's throw away from the school or one in our lovely host families (3 beds/ room) to experience the British way of life.

As some families live not directly in the city center, you might have to use public transport to get to the school. Our teamers are staying with you at the residence, to support you anytime. You will share the accommodation with other students to make new friends easily.

YOUR SCHOOL

Our Sprachcaffe school is in the center of Exmouth, only a few minutes away from the beautiful sandy beach. There are a lot of shops and typical English cafés where you can meet your new friends for a chat. There is a maximum of 15 students per class and we will provide you with learning material throughout the course.

Málaga is home to the new Picasso Art Gallery, considered by many art critics to be one of the most important Picasso galleries in the world. It is also well located for day trips to nearby „pueblos blancos“, or mountain villages with charming white-washed buildings, which give you a feeling for historic life in Southern Spain.

Are you 18+ and feel adventurous? The school will help you organising weekend trips to other cities of interest including Granada, Seville and even Morocco!
